

“NEW BUSINESS IN GATLINBURG CATCHING ATTENTION WITH DANCING SKELETONS!”

Dear Robin,

On May 2nd, you wrote an article called “Forging A Dream” that spoke about a business that was created by a man following his dream from the age of 12 years old. A new business in Gatlinburg was opened in February that would be a wonderful addition to your magazine. Southern Timeless Candles Candle Bar & Boutique is a wood-wick candle making experience that customers can create their own candles and shop the boutique. This store has been catching attention with their unique Halloween decorations, dancing skeletons!

Southern Timeless Candles Candle Bar & Boutique is located at 1004 Parkway Suite 801 Gatlinburg, Tn 37738, in Calhoun’s Village. The dancing skeletons are outside the store during normal business hours until the end of October as long as the weather allows. These motion-activated skeletons have created many photo ops and priceless reactions! This would be a great story to feature in your October edition Magazine.

Sincerely,
Tara Griffin
