September 15th, 2024

Dear Lauren,

Hello, I recently seen your news release on the new zoo CEO and thought it was an amazing story. I wanted to reach out to you because I thought you would be interested in a new business in Gatlinburg with some unique eye-catching decorations this year. Southern Timeless Candles Candle Bar & Boutique is a place that customers can create their own wood wick candles and shop in the boutique. It is located right oon the Parkway in Calhoun's Village, across from Ober Galtinburg.

Motion-Activated

Dancing Skeletons

Southern Timeless Candles Candle Bar & Boutique has added motion-activated dancing skeletons for decorations this year! These skeletons have been grabbing attention and have been the perfect photo op. Southern Timeless Candles Candle Bar & Boutique intends to have these skeletons out each business day until the end of October, weather permitting.
