To The Mountain Press,

Hello, I am reaching out because I saw your article about a new place in Pigeon Forge called Taco Ranch. I thought that you might be interested in adding an article about a new business in Gatlinburg with a unique twist. Fall decorations are very popular and adored by so many but this new business took on Halloween decoration. and made it an interactive experience! At Southern Timeless Candles Candle Bar & Boutique people have been taking photos with the motion activated dancing skeletons sitting outside the store.

Southern Timeless Candles & Boutique is a wood-wick candle-making experience where customers can create their own candles. Customers can also shop in the boutique as well. They are located at 1004 Parkway Suite 801 Gatlinburg, TN 37738. The dancing skeletons are out during normal business hours, weather pending, until the end of October,
